---

Helping and educating the public on urban forestry and tree care issues  
**Trees are the answer; let me help you with your questions and problems!**

---

**Owner-operator** Integrated Tree Management 1999 - Present

- Helped people with tree related problems
- General planting, pruning, spraying, and removal of ornamental and fruit trees
- Tree Inventory and Hazard Tree assessment

**Arborist assistant** 1999-2003

- Worked with John Talmadge on a part-time basis doing general tree work.
- Used chainsaws, chipper, line handling to assist the climber, spraying of apple and fruit trees.

**Master Gardener volunteer** USU Extension, Cache Valley Utah 2002- Present

- Answer questions from the public on gardening and related topics
- Put on workshops demonstrating good tree pruning practices
- Help with the Farmer's market information table

**Licenses and certifications**

- ISA certified arborist since 2003, UT-4138A
- Utah Commercial Pesticide Applicator 4001-11819
  - Agricultural-Plant
  - Ornamental and Turf
  - Right-of-way
- Utah State Chainsaw Operator workshop 2000
- Utah Licensed Nursery Outlet

**Other work experience**

**Teaching Assistant** USU Department of Forest, Range and Wildlife Sciences  
2001- Present

- Assist professor with online Urban Forestry class FRWS 5650
- Answer student questions and lead discussions, grade and record homework

- Maintain, develop and publish updates and new material to the class website
- Act as the primary contact person for students

**Teaching Assistant** USU Department of Forest Resources May 2002

- Teaching assistant for the USU Summer Field Experience course
- One month of intensive training of students in all aspects of forestry and recreation field work
- Prepared materials for daily exercises
- Helped arrange field trips and coordinate guest faculty lectures and demonstrations
- Shepherded 16-17 students through each day of field work with no losses

**EDUCATION**

Master's program in Urban Forestry

**Utah State University** College of Natural Resources

Research project- develop and evaluate online Urban Forestry class including a summative evaluation of the course, interviews with subject matter experts in urban forestry and a survey of potential students.

Additional coursework in statistics, survey and research methods and adult education.

Anticipated graduation in December 2007

Bachelor of Science Environmental Studies 1999

**USU** College of Natural Resources

My emphasis was on management of natural resources and forest ecology.
